Can you believe that you are holding the **third** issue of **English Extra** in your hands? When we started three years ago, we thought it would be **No1 and only**, but, owing to people who found it interesting and worth publishing, and in spite of all the trouble we faced last year (caused by not having the right software – PDF format ), *we are out again.*

*We were considering to publish our magazine as a part of our school magazine „Školska prašina“, but then we decided to keep on going our separate way as we already have our name and our recognizable form.*

*But we have introduced a few changes. First of all we have omitted the number in our name and added **German Pages** so we can say we have grown into a special school magazine in foreign languages.*

*We hope that you will find all you expect (and more!) in your new English Extra Plus magazine.*

*Expecting your suggestions for the next issue, we invite you to enjoy reading this one.*

*B.B.*

## Competition (School, County and National level)

13 people took part in an English language competition at our school in February, and six of them gained the necessary points for the county level competition :

*Sara Marković, 8.b,*  
*Marko Knežević, 8.c,*  
*Mislav Kuzman, 8.d,*  
*Neven Grubelić, 8.d,*  
*Enisa Jusić, 8.c and*  
*Luka Đurović, 8.a,*

but only the first **three** were invited to the county level competition which took place at Dobriše Cesarića primary school on 14th March. Here are the results:  
*Mislav Kuzman was 9th (Well done, Mislav!), Sara Marković 21st and Marko Knežević 44th* among 214 excellent students from Zagreb.

**Congratulations!**

And that is not all. Our **Mislav** goes on. He will compete **33** other best of the bests in Croatia at the **National level competition** which is going to take place from 23rd to 26th April on the island of Vis!

*Mislav, we are proud of you and we wish you*

**GOOD LUCK!**
